

TOLLTAG INSIDER

Thankful for Roadside Assistance

November 2021

As we gather around the dinner table this year, thousands of NTTA customers have an extra reason to be thankful: NTTA Roadside Safety Services.

Each year NTTA's Roadside Safety Services helps more than 20,000 stranded drivers with flat tires, minor car repairs, or an empty gas tank.

If you have car trouble on any NTTA road while travelling to Thanksgiving dinner, NTTA Roadside Safety Services can have you back on the road and to dinner before the turkey arrives at the table.

Just dial #999 for this FREE service.

It doesn't get any sweeter *yam* that.

And since we are on a green bean casse-roll here...did you know that our Roadside Safety Services may find you first? Through our network of more than 2,000 cameras, these titans of the tollway monitor our roads 24/7/365 that includes all holidays, helping to keep our roads safe and clean.
