

# Dallas North Tollway Widening Project

SPRING 2023

The Dallas North Tollway (DNT) is being widened between the Sam Rayburn Tollway (SRT) and US 380 to accommodate population growth in the area and improve access to business and entertainment venues.

This project will add an additional lane in each direction and help traffic flow as population growth continues in northern Collin and Denton counties.

Along with widening the DNT mainlanes, the project team will reconstruct the intersection and DNT bridge over Fields Pkwy. in Frisco.

Opening date: Late 2025.

PROJECT SECTIONS	IMPROVEMENTS	SEE PROJECT MAP
SRT to US 380	Addition of a fourth lane in each direction	

## RECENT PROGRESS

- In October 2022, the DNT was narrowed to two lanes in each direction north of Panther Creek Pkwy. for crews to widen the DNT bridge over Fields Pkwy.
- The northbound DNT bridge over Fields Pkwy. was demolished to rebuild a wider bridge.
- Widening work began at the Panther Creek Pkwy. intersection.
- Upgrades to all overhead and high-mast lights from traditional to LED bulbs are ongoing throughout the project limits.

## WHAT'S NEXT?

- Work at the Panther Creek Pkwy. intersection will continue.
- Reconstruction of the northbound DNT bridge at Fields Pkwy. will continue.
- Lighting upgrades will continue.
- Widening work will begin at Gaylord Pkwy. and John Hickman Pkwy.
