Your TollTag:

Savings and Travel Benefits
in Texas and Beyond

June 2023

Whether it's summer, spring or Thanksgiving break, your TollTag provides great travel value, year-round! We've expanded the places where you can use your TollTag.

[Florida](#) (except for some toll roads in the Orlando area) [joins](#) tolling agencies in Kansas, Oklahoma and Texas to provide you with convenience and the lowest toll rate with your TollTag.

Driving before you fly? Get in and out faster at Dallas Love Field and Dallas/Fort Worth (DFW) International Airports when you use your TollTag to pay for parking. Your TollTag can also be used for pass-through and prepaid parking at DFW Airport.

Hit an unwanted detour? NTTA offers FREE, 24/7 roadside assistance to drivers on all NTTA toll roads. From a flat tire to an empty gas tank, we'll help you get to your destination safely. Take a moment to add #999 to your phone to call for help.

Need something to listen to while you're behind the wheel? Check out our [The Road Trip](#) podcast. It has stories of innovations in travel technology and the people who make it all happen. Before you go, download Tollmate, NTTA's FREE mobile app (on [Google Play](#) or the [Apple Store](#)). It makes managing your TollTag account easier and more convenient. Tollmate provides all the information you need to view, manage and update your account, a toll calculator and get traffic updates, all in the palm of your hand (just not while driving, please).
