

TOLLTAG INSIDER

TOLLMATE:

Your Ultimate
Trip Companion

October 2023

So, you've [got a TollTag](#), you've activated the free rewards program, [Tollperks](#), and [subscribed to TollTag Insider](#) – how else can you add value to your toll road trips? Get [Tollmate](#), NTTA's free mobile app. Whether you commute on our toll roads daily or drive them once a month, Tollmate empowers NTTA customers to do more on the go, with ease.

Check out everything you can do with Tollmate:

1. **Manage Your Account:** Check toll transactions, view account balance, change payment options and add funds. Your account information is just a click away.
2. **Edit Vehicles:** Add/deactivate vehicles and change details.
3. **Stay Informed:** With the [Traffic Update Map](#), view real-time traffic conditions, closures and more for all NTTA toll roads.

4. **Calculate Costs:** To prepare for NTTA toll road trips, add start/end locations in the [Toll Calculator](#).
5. **Access TollPerks Rewards:** View your [TollPerks](#) point balance and redeem rewards.
6. **Need Help on the Road?** In need of customer service or [Roadside Safety Services](#)? [Get help](#) fast and easy.

To make your NTTA journey even smoother and more convenient [download Tollmate](#) today.
