

President George Bush Turnpike East Branch

FALL 2023

The President George Bush Turnpike (PGBT) East Branch project will extend the PGBT south from I-30 to I-20, approximately 11 miles.

The Texas Department of Transportation (TxDOT) began to study this area in 1969 as part of the Dallas County Outer Loop Project.

In 2021, TxDOT transferred this project to NTTA to complete the environmental study and select a route alignment for the future extension.
