

# UPGRADE Your Journey:

## Latest Updates in Tollmate Mobile App

**We're thrilled to announce exciting new updates to our Tollmate mobile app.**

These enhancements provide even more convenience and control right at your fingertips.

### **SAFETY FIRST AND FOREMOST**

- **Access Free Roadside Safety Services via the App:** While #999 remains the primary roadside assistance number, you can now access roadside safety services on any NTTA toll road 24/7/365 through Tollmate.

### **ENHANCED TOLLTAG ACCOUNT MANAGEMENT**

- **Update Personal Info:** Easily update your mailing address, phone number, and email.
- **Credit Card Management:** Quickly review and edit linked credit card details to keep your account current and avoid paying the higher ZipCash rate.
- **Vehicle Management:** Manage the vehicles on your TollTag account with just a few taps.

### **IMPROVED NAVIGATION**

- **Trip Calculator:** Get accurate toll costs and turn-by-turn directions, saving you time and reducing travel stress.
- **Real-time Traffic:** Stay informed with updates on road conditions and closures.

### **STREAMLINED PAYMENTS**

- **One-Tap Payments:** Fast, secure toll payments for on-the-go convenience.
- **Balance Alerts:** Instant notifications to keep your account in check.

### **CONVENIENT CUSTOMER SUPPORT**

- **Customer Service:** Fast, friendly account support.

**Download the latest Tollmate update today to enjoy a smoother and safer travel experience! Available on iOS and Android.**
