

DNT PAVEMENT IMPROVEMENTS

September 4, 2024

Northbound DNT from I-35E to I-635

NTTA is improving the northbound main lanes of the Dallas North Tollway (DNT) from I-35E to I-635 as part of its regularly scheduled maintenance to keep roadways safe. This work will include new driving surface overlay, concrete repairs, drainage improvements and restriping.

Message boards will be placed nearby to alert drivers of the closure. Please use caution in the construction area, including observing speed limits and safety signage.

Thanks for your patience as we work to maintain our roads at the high quality our customers expect.

| Project Section | Current Stage |
|---|---------------|
| Lomo Alto Dr. to the Mockingbird Ln. exit | Complete |
| Mockingbird Ln. exit to Loop 12 | Underway |

What's Complete?

- Replacement of the driving surface from Lomo Alto Dr. to the Mockingbird Ln. exit.

What's Next?

- Milling, or removal of the asphalt surface, is underway from the Mockingbird Ln. exit to Loop 12 (Northwest Hwy.) exit ramp. Once milling is complete, crews will replace the new asphalt driving surface in this area.

Quick Facts

Repaving began:
August 26, 2024

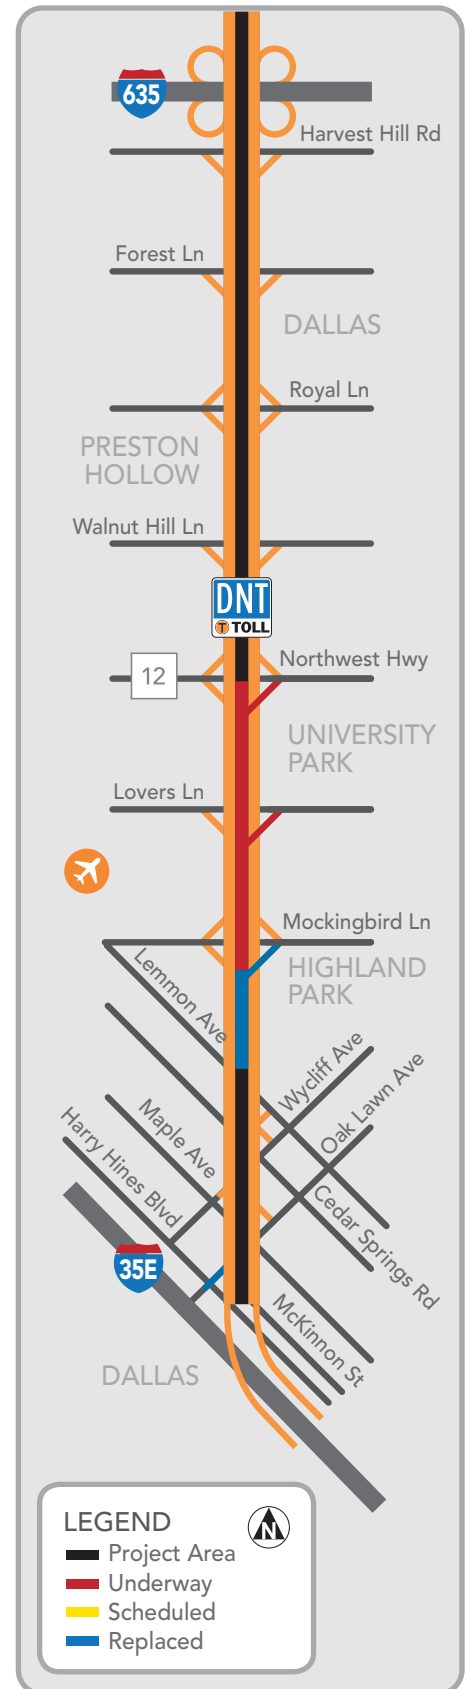

Reduce Speed:
Observe posted speed limits.

Be Alert:
Watch for roadway workers.

Repaving complete:
Late 2025
(weather permitting)
