

DNT PAVEMENT IMPROVEMENTS

September 23, 2024

Northbound DNT from I-35E to I-635

NTTA is improving the northbound main lanes of the Dallas North Tollway (DNT) from I-35E to I-635 as part of its regularly scheduled maintenance to keep roadways safe. This work will include new driving surface overlay, concrete repairs, drainage improvements and restriping.

Message boards will be placed nearby to alert drivers of the closure. Please use caution in the construction area, including observing speed limits and safety signage.

Thanks for your patience as we work to maintain our roads at the high quality our customers expect.

Project Section	Current Stage
Lomo Alto Dr. to the Bordeaux Ave. bridge	Complete
Bordeaux Ave. to north of Lovers Ln.	Underway

What's Complete?

- Replacement of the driving surface from Lomo Alto Dr. to the Bordeaux Ave. bridge.

What's Next?

- Milling, or removal of the driving surface, is underway from Bordeaux Ave. to north of Lovers Ln. Once milling is complete, crews will replace the new driving surface in this area.

Quick Facts

Repaving began:
August 2024
