

# DNT PAVEMENT IMPROVEMENTS

December 17, 2024

## Northbound DNT from I-35E to I-635

NTTA is improving the northbound main lanes of the Dallas North Tollway (DNT) from I-35E to I-635 as part of its regularly scheduled maintenance to keep roadways safe. This work will include new driving surface overlay, concrete repairs, drainage improvements and restriping.

Message boards will be placed nearby to alert drivers of the closure. Please use caution in the construction area, including observing speed limits and safety signage.

Thanks for your patience as we work to maintain our roads at the high quality our customers expect.

Project Section	Current Stage
Lomo Alto Dr. to Meaders Ln.	Driving surface replaced
University Blvd. to Meaders Ln.	Guard rail replacement underway
Mockingbird Ln. to Royal Ln.	Drainage work

### What's Complete?

- Replacement of the driving surface from Lomo Alto Dr. to Meaders Ln.

### What's Next?

- Guard rail replacement will continue through the winter months.
- Drainage work will begin between Mockingbird Ln. and Royal Ln. shoulder and lane closures will occur overnight and on weekends as needed.

### Quick Facts

**Repaving began:**  
August 2024

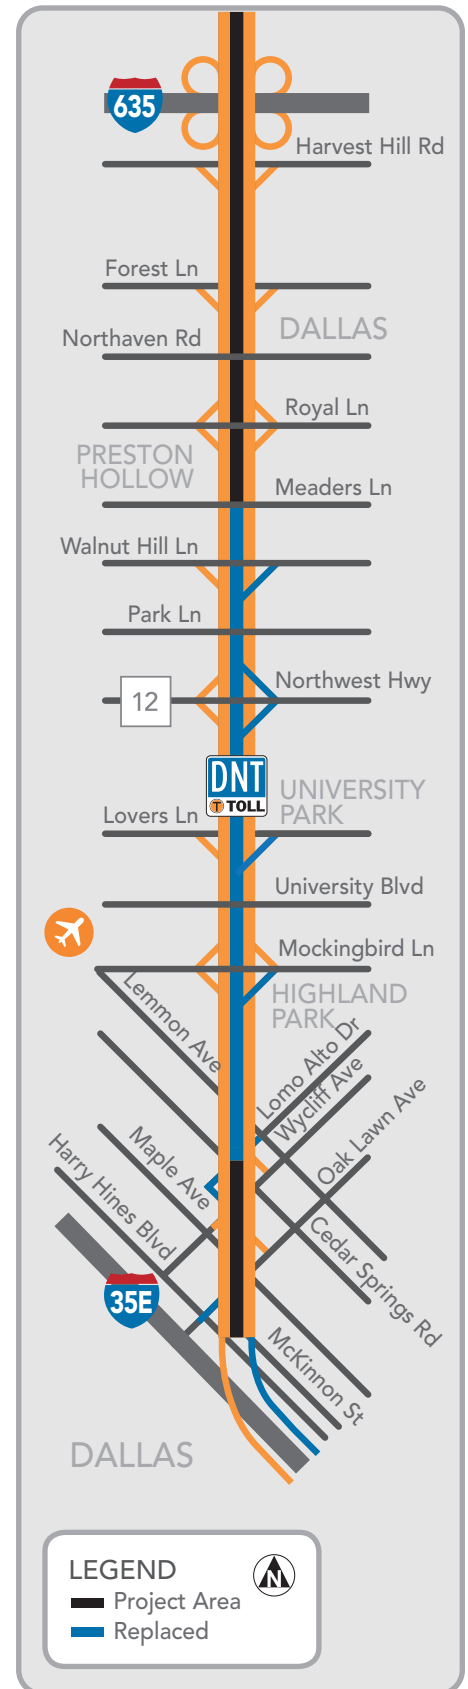

**Reduce Speed:**  
Observe posted speed limits.

**Be Alert:**  
Watch for roadway workers.

**Repaving complete:**  
Late 2025  
(weather permitting)
