

'TIS THE SEASON

HOW NTTA EMPLOYEES GAVE BACK THIS YEAR

Every year, NTTA employees love giving back to their communities across North Texas – and this year was no different. Throughout 2024, members of Team NTTA planned creative fundraisers and individually donated goods for various organizations across NTTA’s four member counties.

♥ In spring, staff donated nearly 2,000 household items and \$700 to a youth charity in Collin and Dallas County.

♥ Over the summer, employees collected and donated more than 3,500 school supplies to students in need at an elementary and middle school in Tarrant County.

♥ To kick off the fall, several NTTA leadership staff took a plunge in a dunk tank to raise nearly \$1,400 for Special Olympics Texas.

To cap off the year, staff is collecting for Toys for Tots to help Denton County families in need for the holiday season.

NTTA works around the clock to help keep its customers safe (including inclement weather treatment and offering free roadside help – just dial #999). In addition to that top-notch service, our employees contributed on their own to help communities in North Texas.

Hats off for their thoughtful and generous spirit!
