

TOLLTAG INSIDER

NTTA works around the clock to make your travel safer and more convenient – here's how.

1) #999

Did you know NTTA offers FREE roadside assistance to anyone who needs help on an NTTA road? Call #999 or click "Free Roadside Help" on [NTTA's TollMate app](#) to receive help 24/7. And you can help keep our roads safe by reporting stranded drivers, stalled vehicles, and debris to #999.

2) TollPerks

Have a TollTag, but no TollPerks? You're missing out! [Create a TollPerks account](#) today and start earning rewards for every mile you travel on NTTA roads. Rewards include gift cards, event tickets, exclusive discounts, sweepstake opportunities, and more – join now!

3) TollTag Compatibility

Road trips just got easier - start going places with your TollTag! Your TollTag now works across Texas, Oklahoma, Kansas, and most of Florida and Colorado. No more stopping at booths in other states – just keep driving.

4) TollMate

Whether managing your TollTag account, viewing your account balance, making payments, calculating toll costs for a trip, or contacting NTTA's FREE roadside service – do it all conveniently with NTTA's TollMate app – an excellent tool to have on the go! Download TollMate from the Google Play Store or Apple's App Store [for free!](#)

5) Student Design and Video Contest

Attention parents and teachers with students in grades 2-12! NTTA's annual Student Design and Video Contest is now accepting entries. Your young artists can help promote safety on the road with NTTA's [Red Thumb campaign](#). The winning students will receive a \$250 VISA® gift card and their teachers will receive a \$200 VISA® gift card. Teachers with multiple student submissions are also entered into a drawing for a \$100 VISA® gift card! [Get details here.](#)
